Nursing Ethical Dilemmas

Navigation

Step 1: Begin on the library website, library.olivet.edu. From the subject guides tab, select Nursing.

Subject Guides

ECACE	Military Science

Mathematics	Theology

Step 2: CINAHL Complete is a great starting point for Nursing topics and research. Other helpful databases include Academic Search Complete, Medline, Health Source Nursing.

Note: These examples will use CINAHL Complete on the searches.

Step 3: In CINAHL Complete, select advanced search and then CINAHL Headings. Type in applicable search terms and click the search button.

Step 4: Add the term ethic with an asterisk to the search (ethic*).

Make sure to always refine results by selecting peer reviewed journals and adjusting the publishing date.

IH "Enteral Nu	trition" AND	ethic*

If no full text option is available, click the "Check for Alma fulltext" icon or request the item from Interlibrary loan.

Step 6: To add more search words, add your words directly in the search or click on "Advanced Search" again to return to this screen.

To search for articles that have a Christian viewpoint, you can try doing a search using the words "Christian" and "ethic" with an asterisk.
