

eJournals (Benner Library subscriptions)

1. To see if we have access to print or eJournals, visit our [Journal Search](#) or navigate from [Library.olivet.edu](#) > "Journals & Articles" tab > "Journal Search"
2. Both **print** and **online** options may be listed for each title in the results list:

3. To see the available dates & links for online access, click "Available online" then scroll to the "View Online" section:

Note: Name of the database, dates of coverage, and the pop-up link to open the database. In this example, the database Academic Search Complete offers full text access from 1990 to 18-months ago.

4. Search for a keyword or known citation or browse by date. Remember that newer dates may not be available in full text, even if they are listed in the "All Issues" section—Check availability (see step 3) to clarify. [Need help?](#)
