The screenshot shows the EBSCOhost search interface. At the top, the search bar contains the text "race" and a dropdown menu is open, listing various search suggestions such as "race and ethnicity", "race or ethnicity or minority", and "race discrimination". A red 'X' is placed over the search bar. Below the search bar, there is a "Search History" section with a table of search results. A box labeled "Combine with AND" is positioned over the search history table. The table has columns for "Search ID#", "Search Terms", "Search Options", and "Actions". The results are as follows:
