

LearningExpress: Nursing test prep tools

1. **Connect to LearningExpress database**
2. **Log-in with ONU credentials, if prompted**
3. **Use the search box to access these resources.**

Type one of these *exact titles*:

- **AP Biology**
- **AP Chemistry**
- **AP Math**
- **NLN-NEX (all)**
- **NCLEX (all)**

- **Practice exams**
- Flash cards
- Study guides
- Study interactives
- Fact sheets
- Practice sets

Steps to use the practice exams:

1. **You should automatically be logged in. If not:**
 - a. Close tab with database
 - b. Clear EBSCO cache:
<https://search.ebscohost.com/TestAuth.aspx>
 - c. Reopen database
2. Choose test mode:
 - a. **Simulation:** Test stops when timer is up (most realistic).
 - b. **Practice:** See answers after you finish. Timer displayed but not enforced.
 - c. **Learner:** View answers as you go. Untimed.

Alternate Access Method

Instead of using the link at the top of this document, you can also use these QR codes and instructions to get to test prep materials. **LearningExpress account & login still required.**
